January 2012

County Medical Services (CMS)

County Medical Services helps uninsured adult county residents get medical care. It is managed by the County of San Diego Health and Human Services Agency. While CMS helps people get medical care, it is not a health insurance program such as Medi-Cal and Healthy Families.

- Are a resident of San Diego County
- Are 21 through 64 years of age

CMS covers medical services for most HEALTH PROBLEMS.

MEDICAL SERVICES NEVER COVERED BY CMS:

- Routine physical examinations and preventive care
- Routine dental and vision care
- Pregnancy/family planning/ infertility services
- Organ, limb, and bone marrow transplants and related services
- Visits to the emergency room for follow-up and prescription refills
- Treatment of mental health, alcohol and drug problems (see phone numbers for appropriate County services)
- Prescriptions not approved by the Food & Drug Administration (FDA)
- Clinical trials. This includes any medications, treatments, procedures, or professional components related to any clinical trial in which the CMS patient may be involved.
